DOH reserves the right and authority to immediately revoke security access to Contractor staff for any real or threatened breach of this provision. Upon reassignment or termination of any Contractor staff, Contractor agrees to promptly notify DOH.

33. SUBCONTRACTING – Neither the Contractor, nor any subcontractors, shall enter into subcontracts for any of the work contemplated under this agreement without prior written approval of DOH. In no event shall the existence of the subcontract operate to release or reduce the liability of the contractor to DOH for any breach in the performance of the contractor's duties. This clause does not apply to Hospitals and/or Medical Clinics that must contract with specialty physicians (e.g. anesthesiologists, radiologists, physicians groups, independent practitioners, etc) nor does it include contracts of employment between the contractor and personnel assigned to work under this contract.

Additionally, the Contractor is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this agreement are carried forward to any subcontracts. Contractor and its subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of DOH or as provided by law.

If, at any time during the progress of the work, DOH determines in its sole judgment that any subcontractor is incompetent or undesirable, DOH shall notify the Contractor, and the Contractor shall take immediate steps to terminate the subcontractor's involvement in the work.

The rejection or approval by DOH of any subcontractor or the termination of a subcontractor shall not relieve the Contractor of any of its responsibilities under the contract, nor be the basis for additional charges to DOH.

DOH has no contractual obligations to any subcontractor or vendor under contract to the Contractor. The Contractor is fully responsible for all contractual obligations, financial or otherwise, to their subcontractors.

34. SURVIVABILITY – The terms and conditions contained in this contract which by their sense and context, are intended to survive the completion, cancellation, termination, or expiration of the contract shall survive, including but not limited to clauses 1, 8, 13, 14, 23, 24 and 29.

35. SUSPENSION OF PERFORMANCE AND RESUMPTION OF PERFORMANCE – In the event contract funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this contract and prior to normal completion, DOH may give notice to Contractor to suspend performance as an alternative to termination. DOH may elect to give written notice to Contractor to suspend performance when DOH determines that there is a reasonable likelihood that the funding insufficiency may be

resolved in a timeframe that would allow performance to be resumed prior to the end date of this contract. Notice may include notice by facsimile or email to Contractor's representative. Contractor shall suspend performance on the date stated in the written notice to suspend. During the period of suspension of performance each party may inform the other of any conditions that may reasonably affect the potential for resumption of performance.

When DOH determines that the funding insufficiency is resolved, DOH may give Contractor written notice to resume performance and a proposed date to resume performance. Upon receipt of written notice to resume performance, Contractor will give written notice to DOH as to whether it can resume performance, and, if so, the date upon which it agrees to resume performance. If Contractor gives notice to DOH that it cannot resume performance, the parties agree that the Contract will be terminated retroactive to the original date of termination. If the date Contractor gives notice it can resume performance is not acceptable to DOH, the parties agree to discuss an alternative acceptable date. If an alternative date is not acceptable to DOH, the parties agree that the Contract will be terminated retroactive to the original date of termination.

36. TAXES – All payments accrued on account of payroll taxes, unemployment contributions, any other taxes, insurance or other expenses for the Contractor or its staff shall be the sole responsibility of the Contractor.

37. TERMINATION FOR CONVENIENCE – Except as otherwise provided in this contract, the Contracting Officer may, by TEN (10) calendar days written notice, beginning on the second day after the mailing, terminate this contract in whole or in part when it is in the best interests of DOH.

If this contract is so terminated, DOH shall be liable only for payment in accordance with the terms of this contract for services rendered prior to the effective date of termination.

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this contract and prior to normal completion, DOH may terminate the contract without the ten (10) day notice requirement, subject to renegotiation at DOH's discretion under those new funding limitations and conditions.

38. TERMINATION FOR DEFAULT – In the event DOH determines the contractor has failed to comply with the conditions of this contract in a timely manner, DOH has the right to suspend or terminate this contract. Further, DOH may terminate this contract for default, in whole or in part, if DOH has a reasonable basis to believe that the contractor has:

- A. Failed to meet or maintain any requirement for contracting with DOH;
- B. Failed to ensure the health or safety of any client for whom services are being provided under this contract;
- C. Failed to perform under, or otherwise breached, any term or condition of this contract; and/or
- D. Violated any applicable law or regulation.

Before suspending or terminating the contract, DOH shall notify the contractor in writing of the need to take corrective action. If corrective action is not taken within fourteen (14) days, the contract may be terminated or suspended. In the event of termination or suspension, the contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time. DOH reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the contractor or a decision by DOH to terminate the contract. A termination shall be deemed to be a "termination for convenience" if it is determined that the contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence. The rights and remedies of DOH provided in this contract are not exclusive and are in addition to any other rights and remedies provided by law.

39. TERMINATION PROCEDURE – Upon termination of this agreement DOH may require the Contractor to deliver to DOH any property specifically produced or acquired for the performance of such part of this agreement as has been terminated. The provisions of the *Treatment of Assets* clause shall apply in such property transfer.

DOH shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by DOH. In addition DOH shall pay the amount agreed upon by the Contractor and the Contracting Officer for (a) completed work and services for which no separate price is stated, (b) partially completed work and services, (c) other property or services which are accepted by DOH, and (d) the protection and preservation of the property. If the termination is for default, the Contracting Officer shall determine the extent of the liability of DOH. Failure to agree with such determination shall be a dispute within the meaning of the *Disputes* clause of this contract.

DOH may withhold from any amounts due the Contractor for such completed work or services such sum as the Contracting Officer determines to be necessary to protect DOH against potential loss or liability.

The rights and remedies of DOH provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this agreement.

After receipt of a notice of termination, and except as otherwise directed by the Contracting Officer, the Contractor shall:

- Stop work under the agreement on the date and to the extent specified in the notice;
- Place no further orders or subcontracts for materials, services, facilities except as necessary to complete such portion of the work not terminated;
- Assign to DOH, to the extent directed by the Contracting Officer, all of the rights, titles, and interest of the Contractor under the orders and subcontracts in which case DOH has the right, at its discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.

- Settle all outstanding liabilities and all claims arising out of orders or subcontracts, with the approval or ratification of the Contracting Officer to the extent he/she may require, which approval or ratification shall be final for all the purposes of this clause;
- Transfer title to DOH and deliver, as directed by the Contracting Officer, any property which, if the agreement had been completed, would have been required to be furnished to DOH;
- Complete performance of such part of the work not terminated by the Contracting Officer; and,
- Take such action as may be necessary, or as the Contracting Officer may direct, for the protection and preservation of the property related to this agreement which is in the possession of the Contractor and in which DOH has or may acquire an interest.

40. TREATMENT OF ASSETS – Equipment purchases, title, and treatment of assets are determined by fund source. OMB Circular A-102 and/or the Washington State Office of Financial Management's "OFM Directive A95-05" (effective July 1, 1995) regulate treatment of assets. Equipment acquisitions must be included in the official contract budget.

41. WAIVER OF DEFAULT – Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Contract unless stated to be such in writing and signed by authorized representative of DOH.
